PASTOR PAUL'S MESSAGE

Summerin' With Jesus has been our ongoing worship theme for 2024. We began the summer remembering Apostles Peter and John as ordinary and uneducated men who had been with Jesus. That "being with" transformed them into men who had a powerful impact on those around them for good. They became men who helped others come to know and follow Jesus Christ. They became men who impacted the world around them in significant ways!

Though Linwood is a place where we enter "through these gates" and feel like we are leaving the "real world" behind us, the events of this past week have not gone unnoticed by any of us. All of us, regardless of any particular political stance or point of view, are legitimately anxious - if not actually scared - at unfolding events in our nation and world. That being said, we need more than ever to follow Peter and John's example and take time to be with Jesus - in personal times of reflection, prayer, and scripture reading, in times of worship and fellowship with others, in considering how we can become those who impact the world around us in significant ways for good!

The scriptures say "Put not your trust in princes, in a son of man, in whom there is no salvation."
(Psalm 146:3) Only Jesus Christ - the same yesterday, today, and forever - is worthy of our ultimate trust and devotion Only he can bring us salvation!
Only he can offer us true hope and peace and blessing in anxious times!

See you Sunday,
Pastor Paul
