Every Wednesday at 10 a.m. in the Pavilion, Pastor Chris is leading in a study of the book of Luke. This study synchs with the sermon series; his style is creative and not intimidating. All are welcome! Bring a mask.

Worship at Linwood

How good it was to enjoy Sunday's worship service, even though we could not be together physically. For the foreseeable future we will "meet" via streaming as described below.

Community cannot be cancelled!

There are several ways to access the service:

1. You can go to linwoodchristianlife.org. This should bring the service up at 10:00 a.m. on Sunday morning or any time after that. (That means you can "go to church" at 2:00 a.m. if you can't sleep!)
2. For audio only tune in to: 97.3 FM (accessible only within Linwood Park); or go to linwoodradio.com.

Keeping with our theme of **JOY**, Park Pastor Chris Scuggs' message will focus on the Joy of Family Celebrations. His Scripture text for this Sunday is Luke 2:42-52.

Again we will share in music and a kids' message from Josiah.

Linwood Radio

A Sound in the Air for a Place in the Heart

When coronavirus hit and the implications began to unfold, a Linwood couple, knowing that things would be different this summer, started brainstorming about creative ways to modify Linwood's typical approach to Christian programming.

They wondered, what if Linwood could broadcast over a radio station, on which we could share information, lift spirits, and encourage Christian community? That conversation has resulted in Linwood Radio, 97.3 FM and linwoodradio.com.

As you can imagine, lots of work has been done since to make this a reality. A transmitter is located in Saffles' cottage on Locust. The station is on 24 hours, and offers inspiring Christian music, from the Jason Lovins Band to True North Chorale and Orchestra. Look for additions to the station offerings as the season progresses.

As *The Breeze* is a fixture at Linwood, we are hoping that the radio station will become a regular feature of life at Linwood.

A Message from Park Pastor Chris Scruggs

Getting Started

Dear Friends,

It has been great beginning our time in Linwood Park. Two weeks ago, we arrived here at Linwood. Last week, we experienced our first online worship at Linwood. Thanks to everyone who watched and thanks to all those who made it possible! (A lot of work went on behind the scenes to make that worship service possible.) As you know, we now have *Linwood Radio* and the services are rebroadcast during the week.

Some of you know that only a day or two after we arrived, our youngest daughter had a biking accident in Austin, Texas. As a result, Kathy had to go home to be with her during surgery. The surgery is over and Melanie is recovering! Unfortunately, Kathy cannot come back until Melanie is seen by the doctor one more time in about a week. In the meantime, pray that everything goes well in Austin.

Some of you have seen me walking around The Park. I'm one of those people that tries to get in my 10,000 steps every day! I'm always happy to be interrupted or walk with people for a time and visit. I've met a number of you while walking. As many of you have noticed while walking or bicycling by the Auburn house, Kathy and I spend a good bit of time on the front porch. We are always happy to have visitors!

If any of you need to talk privately to me, please feel free to stop by or call to see if we can meet. One of the reasons for having a Park pastor is to have a spiritual friend available here at Linwood to talk with people about issues of importance. If you're one of those people, please take advantage of the availability of a spiritual friend in The Park. In a week or two, when our schedule levels out, I'll probably begin to spend some regular hours in The Tabernacle. For the time being, the Tabernacle is closed, and

so it's better to meet here unless it's an emergency.

This week, remember there is a Bible study at 10 a.m. on Wednesday morning in The Pavilion. It should be over by 11. We will have our normal online worship service this Sunday, June 21, 2020. On Sunday evening, we will have a vesper service outdoors in The Pavilion at 7 p.m. This is a short opportunity to meet together, pray, and close our Sundays in worship. We will be having vesper services every other week this summer. July 5 will be the next one of these service.

Getting to know someone involves learning what they are passionate about. Kathy and I are passionate about discipleship, helping people grow closer to Christ and experience the joy and power of the Holy Spirit in their lives. We are also passionate about helping Christians, and especially mature Christians, learn to connect with a new generation of believers and help them to grow and have some of the same experiences we have had. I am sure that, before the summer ends, we will share more about this experience with "y'all" (proving I am a Texan).

Once again, it is a real pleasure being here with you this summer. Kathy sends her love.

God bless you all,

Pastor Chris

Missions Moment

You may already know that our Christian Life organization actively supports those people from Linwood that are involved in missions and ministries where they live.

If you know of someone that is involved in this type of work, please send an email to Robyn Zeeman, Missions Committee Leader, at: rczeema@us.ibm.com. By the end of June, she will then send a scholarship nomination form to them.

Thanks so much and look forward to hearing from you!

The Linwood Breeze is brought to you by the Linwood Council of Christian Life in cooperation with the Cottage Owners Association. If you have info and/or pictures you would like included, email to Breeze.editor@linwoodcouncil.org. If there are pictures of children in the photos, include parental permission for us to publish the picture online and in the printed newspaper. Reminders From the Park Board

PLAYGROUND UPDATE

Governor Dewine has announced that Playgrounds can open on June 10. Matt will disinfect the equipment daily and there will be several hand sanitizer stations in the playground area.

Please encourage your kids to honor social distancing and to use the sanitizers when moving from one piece to the next. If your child is not feeling well or has a temp over 100, please do not let them go to the playground. We want everyone to be safe and stay well.

SPEED LIMIT

The speed limit in the park is 10 mph. The kids of Linwood are out in full force on their bikes, roller skates, and just playing. As our most important asset, we want to keep them safe.

GOLF CART RULES

1. Operators must have a valid drivers license.
2. Operators must obey the same safe driving practices as automobiles in the park.
3. Golf cart operation is limited to use on established roads and may not be parked in a manner which interferes with vehicles or pedestrian traffic.
4. Golf carts must have fully functioning headlights, brakes and horns, and must not be altered with "high speed kits" or "lift kits" or anything that enhances the performance of the Golf Cart.
5. Golf Carts may **NOT** carry more than the number of passengers for which they are designed.

Let's have an enjoyable summer and remember, social distancing is still the new norm at Linwood.

DOG LEASH REGULATIONS

Please remember that dogs are to be on a leash and under the control of the person walking them. Dogs are not allowed on the beach at any time.

If you rent your cottage, please make sure your renters are aware of these rules.
