# PASTOR PAUL'S MESSAGE

Today as I write this I have just returned from my yearly "Welcome Back" meeting for my school bus company in Pittsburgh. We hear a series of reinforcements about safety procedures and new procedures for another school year as we prepare for the return to school. I'm sure many of you are in the same position of preparing for another school year or fall season to begin. So, we must truly savor and take advantage of these final weeks of summer and the time spent with family and friends here at Linwood! We're especially grateful this week there were no serious injuries or property damage in this week's storm! Thanks to Matt and his crew for the cleanup job!!

Our summer series of messages, "Summerin' With Jesus" will be wrapping up over the next few weeks. This coming Sunday we will join Jesus and the disciples who have "Gone Fishin'!" on the Sea of Galilee. Once again, our account in Luke 5, shows that Jesus takes every opportunity to use the activities of daily life as teachable moments. Perhaps that can be true for each one of us in our daily lives. As we live each day, are we awake to the presence of Jesus with us and his desire to continue teaching us to say and do things that reflect his presence and glory? Each day has those teachable moments when we can learn and grow in being the people Jesus calls us to be as his disciples. What might Jesus be teaching each of us today?

See you Sunday,

Pastor Paul

## SUNDAY SCHOOL AND WORSHIP TOMORROW MORNING!

Join us in church tomorrow and welcome back Marge Adler to the piano.  
We are glad you are back, Marge!
