Pioneer Service

Linwood's Pioneer Service will close out the summer season of 2026. Tomorrow evening, we will join together at 7:00 pm in the Tabernacle. This is a Linwood Christian Life event that serves to honor those who, over the past 142 years, have helped make Linwood the special place it is. There will be a hymn sing, followed by the all important Rose Ceremony, and the giving of the Linwood Bible. Who will receive the Bible this year? We also remember Linwood community members we have lost over the past year and welcome new Linwood community members we have gained over the past year. It's a very special event and hope to see you all there.

*Hard copies of the Breeze are available
during at the worship service.*

From the Pen of Pastor Paul...

Linwood friends,

It's Labor Day weekend and the close of the 2026 Linwood Park season is upon us! Even though this summer had an early Memorial Day and late Labor Day, it still seems as though the summer disappears too quickly! Many of us are back into our fall routines, but this weekend is one final chance to enjoy the beauty of Linwood together!

The Pioneer Service will close the season on Sunday evening at 7 p.m. in the Tabernacle. Sunday morning will be our final worship service at 10:45 a.m. in the Tabernacle, where we will gather around the Lord's Table to share in the Lord's Supper. Our Promises of God message series will conclude with a message on God's Promise of Christ's Return. While we don't know when this will happen - though many have tried and failed to predict the exact day and time - we do know that "all the peoples of the earth...will see the Son of Man coming on the clouds of heaven, with power and great glory." (Matthew 24:30) I hope you will plan to join us in our final time of worship together for the 2026 season!

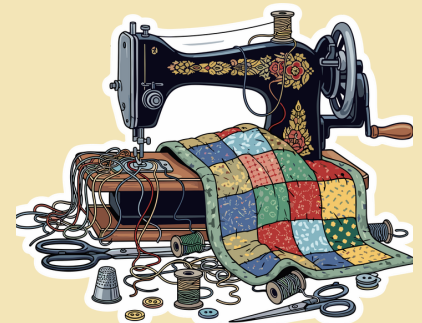

I conclude with heartfelt words of gratitude and appreciation for the honor and privilege of serving as Park Pastor at Linwood Park for our fourth summer! Jan and I marvel again and again at the blessings we have received over that time! Each year relationships have grown in both number and quality as we spend more time here. We've enjoyed porch conversations at 444 Ash with some, leisurely conversations along the bluff watching sunsets, or at The Stand, or on walks around the Park. And of course we have shared meaningful times in worship, bible study, and prayer! As the song goes, we have been blessed with the Goodness of God!

Until we connect again through the Breeze in 2027, may the Lord bless you and keep you. May he make his face shine upon you and be gracious to you. May he lift up his countenance upon you and grant you peace!

See you Sunday,
Pastor Paul

A few beautiful, new, handmade quilts have been added to the quilt rack in The Store. The monies from the sale of these quilts all goes directly to ARK to further their mission of supporting those in need. Currently, ARK has the need to help families who have a child with cancer. ARK is aligned with the Cleveland Clinic Department of Pediatric Oncology to help these families. Please stop in The Store, purchase a quilt and help a family who is in urgent need OR visit AlmightyRadiantKing.org to help.

Store hours: Saturday 7-8 PM; Sunday after church for about an hour

Musings from the Porch: Cottage Owners' Updates

Hi Neighbors,

Well, this is it. The final weekend of the 2026 season at Linwood Park. The final weekend to be greeted with a smiling face when entering and exiting the Park. Thanks to all the wonderful people who worked at the gate this year and thanks to Chrystal for finding them. Last call for The Stand, grilling Sunday, and The Store!

While some of the amenities we enjoy will end as of Labor Day, many others will continue to be available. Of course, our beautiful beach remains open. Thanks to all who serve on the Park Company's beach committee over the years to make our beach a true treasure while improving its ability to withstand what Mother Nature throws at it. I understand Linwood Landing will continue to provide food trucks, entertainment and vendors for a while. Thanks to the Park Company Board and everyone else who has played a role in making The Landing such a special place. Under the guidance of Janet Waggoner, work continues on the mural near Linwood Landing. It's exciting to watch this new Vermilion landmark come to life.

The Linwood Park event calendar still has some special events on it after this weekend. Most notably, October 24th is a day to circle on your calendar. Make a day of it and plant some beach grass, enjoy some award-winning chili, and participate in Linwood trick-or-treating.

I've now served as the LPCOA president for a year. During that time, I've come to better understand how many people it takes to make a season at Linwood Park special. There are many people who are involved in making this happen but there are a few who play an oversized role on behalf of the LPCOA, LCL, and Linwood Park Company. I'd like to personally thank the following people for all they do - Janet Waggoner and Jennifer Williams who run The Store. Paul and Jan Thwaite who support the community in so many ways. Anne Humphries who gets The Breeze out by deadline every week despite last minute submissions from the LPCOA President. The Turner, Eberhardt, and Csepe families who are always willing to say "yes" when asked for their help. Every cottage owner who sponsors an event cultivating learning, competition and community building each season. Of course, Matt and Chrystal who do so much more than what is required. My fellow LPCOA officers who care deeply about Linwood and our cottage owners.

Stay safe and healthy during the upcoming offseason and I will see you soon at Linwood Park.

Editor's note : It has been a pleasure working on each edition of the Breeze and getting the information to you. Thanks to Emma Phillips for sharing her talents and time, thanks to all the contributors for hitting a deadline and thanks to Sean for his patience. Thanks to God for His Promises!

See you next summer in Linwood!

Kudos Korner

This thank you is to the ENTIRE LINWOOD COMMUNITY!

We, Les and Sharon Revennaugh, want to tell how amazing, wonderful, encouraging, helping, loving, and supporting this whole 'family' has and is to the two of us. As most all of you know, Les had a major stroke on June 24 this summer. What an abrupt 90 degree turn this put in our path. We thank our Lord Jesus above all else for how well Les came through the initial days of the stroke even while we were reeling from what this meant to our very active daily life. Then as each day came there were multiple individuals and couples that visited daily, brought food, goodies, and always abundance of love to shower on Hey Les - my precious Les!! He is progressing upward and onward every single day. His goal - complete restoration to all the strength and mobility he had before the stroke. He is working so hard daily to arrive at that goal.

Our hearts have been and are blessed daily (65 days now) by someone(s) from the Linwood family. There are not words big enough to say the deep gratitude and thanksgiving we have for each and everyone of you. May our Lord bless you and keep you, Linwood family, and make His face to shine upon you and be gracious to each one of you. Amen and Amen.

Editor's note - Thanks to those who participated in honoring others in this trial year of Kudos Korner. We will continue in the next season.
